

This Year's Topics

- Indiana University School of Medicine EM Research Update and Abstract Presentation
- National ACEP Update
- Review of Airway Management Literature
- Morbidity and Mortality
- Electrical Misadventures: Microwaves, Cords, Plugs, TASERS & Lightning
- The Role of Research in Group Culture
- 2010 Reimbursement Update
- Upstairs Care Downstairs
- Optimized E/M & Procedure Documentation
- Taking a Second Look – Acute Vision Loss
- Pediatric Dermatology
- Patient Satisfaction in the ED Setting: Really?
- Health Care Reform from Two Perspectives
- Toxicology Codes and Antidotes

Women in EM

Join Dr. Angela Gardner (President-ACEP) for a breakfast discussion about the issues facing women practicing Emergency Medicine.

This Breakfast is FREE but those participating need to pre-register (see form on back).

Graduate Education for Emergency Physicians

INDIANAPOLIS, IN

MARCH 8 & 9, 2010
Monday & Tuesday

Fort Wayne Medical Education Program and Parkview Hospital and the Indiana Chapter of American College of Emergency Physicians Present:

The 38th Annual INDIANA ACEP Post Graduate Course in Emergency Medicine

in conjunction with the Indiana University School of Medicine Residency Research Day

Monday & Tuesday, March 8 & 9, 2010

MARRIOTT HOTEL NORTH INDY – KEYSTONE AT THE CROSSING

INDIANA CHAPTER
AMERICAN COLLEGE OF
EMERGENCY PHYSICIANS

630 North Rangeline Road, Suite D
Carmel, IN 46032

FIRST CLASS

7:00 a.m. REGISTRATION

7:00-7:50 a.m.

Women In Emergency Medicine Breakfast

Women attending this year's conference will have a unique opportunity to discuss issues facing women practicing Emergency Medicine. Angela Gardner MD, FACEP (ACEP President) will be leading this breakfast discussion.

7:50 a.m. WELCOME/INTRODUCTION

8:00-9:00 a.m.

The Pivotal Role of Research in Departmental Group Culture*Jeff Kline MD, FACEP (SAEM President Elect)*

Participant will recognize and analyze group culture and topic-based clinical research, and learn a strategy for implementing the research to improve the group culture.

9:00-10:00 a.m.

Emergency Medicine Airway Literature Review – James Jones MD, FACEP

Participants will be able to discuss and evaluate up-to-date EM journal articles relating to airway management, and critique their scientific validity; and where applicable, apply conclusions to their daily practice of emergency medicine.

10:00-10:30 a.m. BREAK – Please Visit the Exhibitors

10:30-11:45 a.m.

**Indiana University School of Medicine
ED Research Update and Abstract Presentations – Rawle Seupaul, MD, FACEP**

Participants will examine several current IUSM cutting edge research projects, and understand how the research results can change procedures or make them more effective.

11:45-1:00 p.m. LUNCH – Indiana ACEP Annual Business Meeting

1:00-2:00 p.m.

National ACEP Update – Angela Gardner MD, FACEP (President, ACEP)

Dr. Gardner will discuss ACEP's accomplishments of 2009 and ACEP's objectives for 2010.

2:00-3:00 p.m.

Electrical Misadventures: Microwaves, Cords, Plugs, Tasers and Lightning*Joseph Lex MD, FACEP*

Participants will be able to discuss and assess controversies about these kinds of electrical injuries and the management of them. They will be able to analyze which patients require hospital admission after electrical shock injury. They will discuss how pregnancy changes the management of electrical shock injury.

3:00-3:30 p.m.

Toxicology Codes and Antidotes – Jennifer Acciani, MD

Participant will recognize and evaluate drug/toxin induced cardiovascular emergencies, and drug/toxin induced seizures; understand that standard ACLS protocols may not be successful in treating cardiovascular emergencies and develop strategies that will; and understand the indications for antidotal therapy so you can implement them in your practice.

3:30-3:30 p.m. BREAK – Please Visit The Exhibitors

3:30-4:30 p.m.

2010 Reimbursement Update: The Future Of Healthcare, Medicare Reform, and PQRI*Michael Granovsky MD, CPC, FACEP*

Upon completion of this lecture participants should be able to implement the steps involved in ED reimbursement, identify opportunities to improve PQRI performance & understand the Federal Health Care Reforms impact on the ED

4:30 - 5:30 p.m.

Morbidity and Mortality Cases*Jason Kegg MD and Luke Schafer MD*

Participants will learn strategies to evaluate areas of medical error, to analyze and manage common obstacles in EM that can hinder patient care, to review a potential bias in seeing uncommon presentations of potentially life-threatening diagnoses and implement strategies to avert the bias and to use an algorithmic approach to stratify risks in a specific patient population. Participants will learn strategies to improve the evaluation, diagnostic testing, and management of abdominal pain in an adult female.

8:00-9:00 a.m.

Optimized Em And Procedure Documentation – Michael Granovsky MD, CPC, FACEP

Participants will examine the rules governing ED physician code assignment, understand the critical aspects of physician documentation and implement the steps to optimally document ED procedures.

9:00-10:00 a.m.

Upstairs Care Downstairs: ICU IN EM – Tim Ellender MD

Attendee will be able to discuss an early approach to evaluation and management of critically ill patients, identify clinical parameters that aid in diagnosis and treatment, and evidence-based therapies that that impact their care.

10:00-10:15 a.m. BREAK

10:15-11:15 a.m.

Taking A Second Look: Acute Vision Loss – Greg Henry MD, FACEP

Strategies for correct test ordering for patients with abnormal vision, understanding of the basic neuroanatomy of the visual systems, and implementation of rapid resolution of altered visual cases.

11:15-12:15 p.m.

Pediatric Dermatology – Randolph Cordle, MD, FACEP

Participant will be able to identify classify and diagnose a wide variety of infant and childhood rashes based on visual review provided, and implement correct treatment based on evidence provided in this lecture.

12:15-1:30 p.m. LUNCH – Patient Satisfaction In The Ed Setting: Really?*Daniel Smith MD, PA*

Participant recognize and appreciate the temporal dynamics of the doctor-patient relationship and current state of this relationship and impact on patient's perceptions and expectations; and understand the challenges of patient satisfaction in the E.D. setting implement and improvement; realizing patient satisfaction is a process to managing and reducing practice risks. Participant will review core elements to a satisfaction program for EDP's, formulate a balanced EDP scorecard, decipher satisfaction data and use it as a tool to improving the patient experience.

1:30-2:45 p.m.

Health Care Reform from Two Perspectives*Greg Henry MD, FACEP & Robert Stone MD, FACEP*

Participant will be able to understand, evaluate and analyze the pros and cons of: the forces driving the epidemic of un-insurance and under-insurance; the patient outcome results of this epidemic; the current US health care system; the affordability and feasibility of universal health care.

2:45-3:45 p.m.

**Thrombolysis Expansion of the Stroke Window
& Other Neurologic Emergencies In 2010 – Rawle Seupaul MD, FACEP**

Attendees will be able to discuss and evaluate the most recent advances in ED management of Bell's Palsy, Migraine Headache and Thrombolytics in acute stroke beyond the 3 hour window. They will be able to analyze and critique the validity of the literature on these topics.

CONFERENCE FACULTY

Jen Acciani MD

Toxicology Fellow, Department of Emergency Medicine, IN University School of Medicine (IUSOM), Emergency Physician, Clarian West Emergency Department, IN. Emergency Medicine Advocacy Committee; Indianapolis, IN.

Randolph Cordle, MD, FACEP, FAAP, FAAEM

Medical Director: Division of Pediatric Emergency Medicine, Carolinas Medical Center; SR. Consultant for Physicians Council for Responsible Reform (*Appointed by Congressman Tom Price*); Fellowship Director, PEM Fellowship, Levine Children's Hospital, Department of Emergency Medicine, Charlotte, NC.

Timothy Ellender MD

Assistant Professor of Clinical Emergency Medicine, IUSOM; Attending Physician, Methodist Hospital; Flight Physician, Lifeline Aero Medical Transport, Critical Care Specialist, Indianapolis, IN.

Angela Gardner, MD, FACEP

President, American College of Emergency Physicians (ACEP). Assistant Professor, Division of Emergency Medicine, Department of Surgery, University of Texas Southwestern Medical Center, Dallas, TX.

Michael Granovsky MD, CPC, FACEP

President, Division of Coding – Medical Reimbursement Systems (MRSI); Attending Physician, Fort Washington Hospital, Fort Washington, MD; Education Chair, ACEP National Coding Advisory Committee; Course Director, ACEP Coding and Reimbursement Conference.

Greg Henry MD, FACEP

Clinical Professor, Department of Emergency Medicine, University of Michigan Medical School; Staff Physician, St. Joseph Mercy Hospital System; CEO, Medical Practice Risk Assessment Inc.; Risk Management Consultant, Emergency Physicians Medical Group, Ann Arbor, Michigan; Past President, ACEP.

James Jones MD, FACEP

Professor, Clinical Emergency Medicine, IUSOM, Wishard Hospital, Indianapolis; Vice-Chairman, Department of Emergency Medicine, Indiana University School of Medicine, Indianapolis, IN.

Jason Kegg, MD

Resident Emergency Physician, IUSOM, Methodist and Wishard Hospitals; Chair of EMS Committee, IU School of Medicine, Indianapolis, IN.

Jeff Kline, MD

President-Elect, Society of Academic Emergency Medicine (SAEM), Director of Research, Department of Emergency Medicine, Carolinas Medical Center, Charlotte, NC.

Joseph Lex Jr. MD, FAAEM, FACEP

Chair, Executive Committee, 6th Mediterranean Emergency Medicine Conference – September, 2011 Kios, Greece; Past Chair, Education Committee, American Academy of Emergency Medicine; Assistant Professor, Department of Departmental CME & Resident Didactic Sessions, Temple University Hospital, Philadelphia, PA.

Luke Schafer, MD

Resident Emergency Physician, IUSOM, Methodist and Wishard Hospitals, Indianapolis, IN.

Rawle Seupaul MD, FACEP

Associate Professor of Clinical Emergency Medicine, Department of Emergency Medicine, Statewide Director for EBM and Biostatistics, Indiana University School of Medicine, Indianapolis, IN.

Dan Smith, MD, FACEP

Clinical Emergency Physician, Independent Contractor, Firestarter in Satisfaction, Emergency Physicians' Affiliates & Baptist Health System, San Antonio, TX.

Robert Stone MD, FACEP

Director, Hoosiers for a Commonsense Health Plan; State Coordinator & national Board member, Physicians for a National Health Program, Assistant Clinical Professor of EM, Indiana University School of Medicine, Indianapolis, IN.

COURSE DESCRIPTION

This course is specifically designed for the practicing emergency physician, but may also be of interest to emergency nurses, physicians' assistants, nurse practitioners and paramedics. This year we have continued with the tradition of providing a national flavor to a local conference with many guest lecturers from diverse geographic localities and practice backgrounds. This year's speakers are leading authorities in Emergency Medicine on their topics.

COURSE OBJECTIVES

Teaching our course this year are experts selected for their outstanding teaching ability and hands-on experience on relevant, up-to-date issues, topics and concerns for the emergency department professional. Upon completion of this course, participants should be able to identify and implement state of the art procedures; analyze up-to-date informational reviews; and assess and evaluate a variety of emergency department situations covered in this year's course.

ACCREDITATION

This activity has been planned and implemented in accordance with the Essential Areas and Policies for the Accreditation Council of Continuing Medical Education through joint sponsorship of ACEP, the Fort Wayne Medical Education Program, and Parkview Hospital. The College of Emergency Physicians is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Fort Wayne Medical Education Program is accredited by the Indiana State Medical Association to provide continuing medical education for physicians.

The Fort Wayne Medical Education Program designates this educational activity for a maximum of **15 AMA PRA Category 1 Credit(s)**TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Application has been made to the American College of Emergency Physicians for ACEP Category I Credit.

DISCLOSURE

All faculty activities sponsored by the Fort Wayne Medical Education Program and Parkview Hospital, Fort Wayne, IN, are expected to disclose to the program audience any real or apparent conflict of interest related to the content of their presentations.

FEE

Please see enrollment form. Medical students and interns may attend for a nominal fee of \$10.00 per day provided they pre-register. This fee will be refunded on conference day when they pick up their registration packets. **Residents will not be charged this year, provided THEY RETURN A REGISTRATION FORM to the Indiana ACEP office.**

ENROLLMENT

Maximum enrollment has been set. Early registration is advised prior to February 19, 2010. If your registration fee is to be paid by an agency and you do not expect to have your fee processed by February 19, 2010, mail or fax your registration to Indiana ACEP (Fax: 317/848-8015) and indicate on the form that your fee will be paid the day of the conference.
